To whom it may concern:

Chase Paymentech Solutions, LLC, headquartered in Dallas, Texas, is the world's largest financial transaction processor for businesses accepting payments via traditional point-of-sale, hospitality, Internet, catalogue and recurring billing. The privately held company is an end-to-end processor for merchants of all sizes and industries and is a result of the 2005 integration of the former Paymentech and Chase Merchant Services. The integrated companies will process approximately 13.1 billion transactions annually, with more than \$500 billion in annual bankcard volume in both the United States and Canada.

In Canada, Chase Paymentech Solutions is headquartered in Toronto, Ontario and is an affiliate of Chase Paymentech Solutions, LLC. As a leading payment processor and a single source for debit and all major credit cards, the company offers a full suite of advanced payment solutions, including point-of-sale and wireless terminals, an electronic gift card program and secure e-commerce capabilities.

Money Express POS Solutions Inc. has been a registered Strategic Partner with Chase Paymentech since 2004 and continues to exceed sales volume growth projections. Key factors behind the success of this program can be traced to their ability to develop and implement new products and services targeting key merchant market segments. This combined with their focus on developing best practices and implementing processes ensures that quality accounts are submitted and setup as quickly and efficiently as possible.

We can confidently recommend Money Express POS Solutions Inc. as a solid and reliable business partner and experts in their field and look forward to continuing to build on the success of our program together.

Yours sincerely,
