

APACHE BURGERS INC.

January 28, 2008

Dear Sir/Madam;

We have recently installed an ATM machine from Monex Group.

We were very happy with the great service we were offered, also the quick and efficient response to our requests and inquiries from our sales representative Emad Tadros.

The machine was delivered and installed and operated just as we were promised, and the continuous maintenance to the machine is completely to our satisfaction.

Our decision to install the ATM machine greatly benefited our business, and our clients are very happy to have this convenience.

Best Regards

A handwritten signature in black ink, appearing to read 'Emad Tadros'.
