

STEVE'S TAXI

Feb. 2, 2008

To whom it may concern:

After an extensive search, Steve's Taxi has chosen Monex to be its exclusive supplier of point of sale terminals. We have based this decision on cost, technology and customer service. Monex has handled our account with professionalism since day one.

Steve's Taxi is very confident that this decision is the right one for us and our customers.

Regards

Manager
